Sit back and relax,
where time stands still
and catches its breath

Storytelling and reading –
as much a part of Kerry as
her landscape

Fine food and excellent service are at the heart of great hospitality

A selection of spirits
A meeting of minds
A sharing of ideas

Stylish design
Captivating views

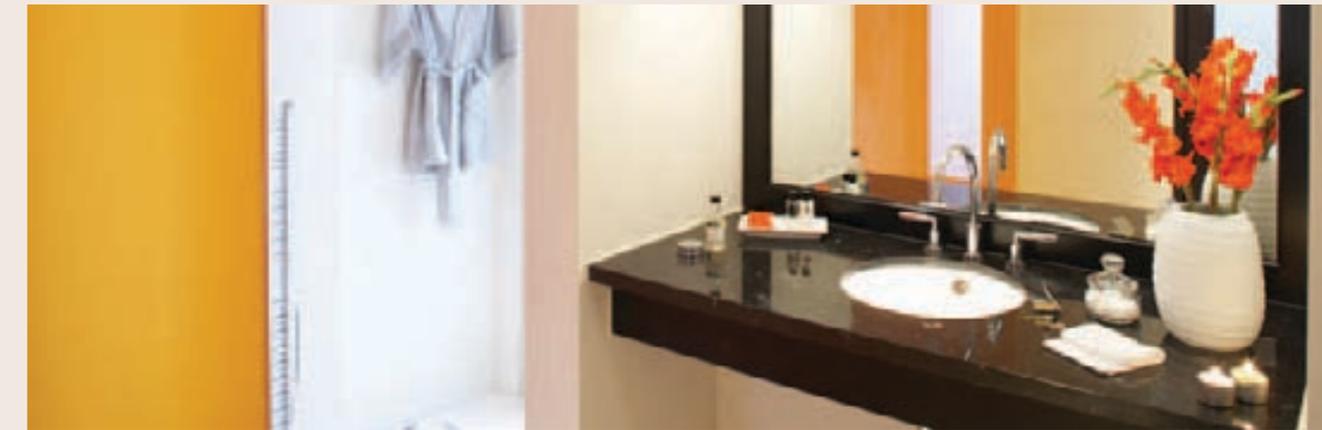

The Europe Hotel & Resort's five stars were won by setting standards, not simply by meeting them. Personality, individuality and superb levels of comfort give even the most seasoned traveller a new level of hospitality

Dilemma:
Relax and look out
at the view or
go out and be part of it

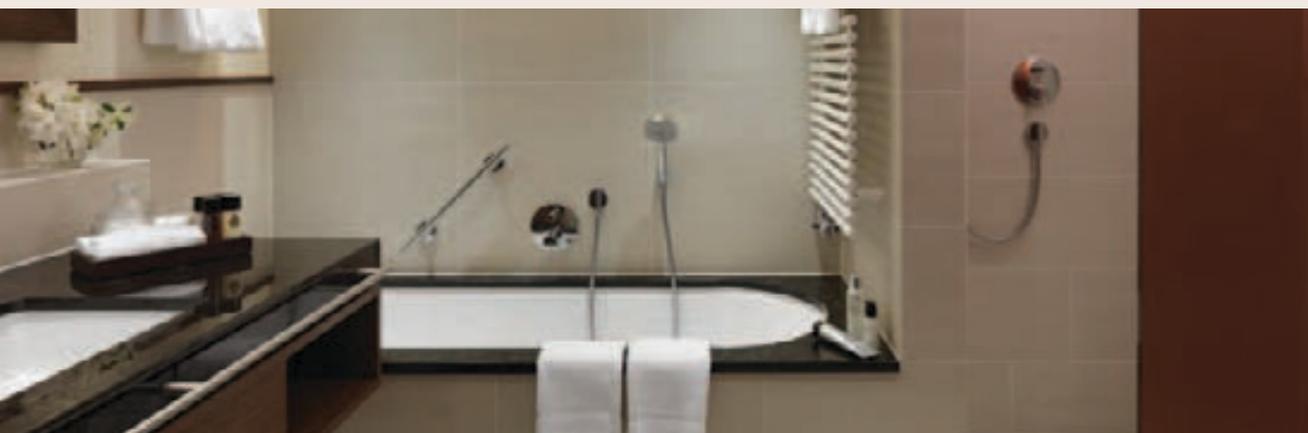

Views that stretch
as far as the eye can see

A different view every minute
A different tone every hour
Serenity – every day

Classic style
and comfort

SPA at The Europe truly creates
a place of peace, calm and tranquility –
A unique experience you will always remember

Relax the body
Rejuvenate the mind
Refresh the senses

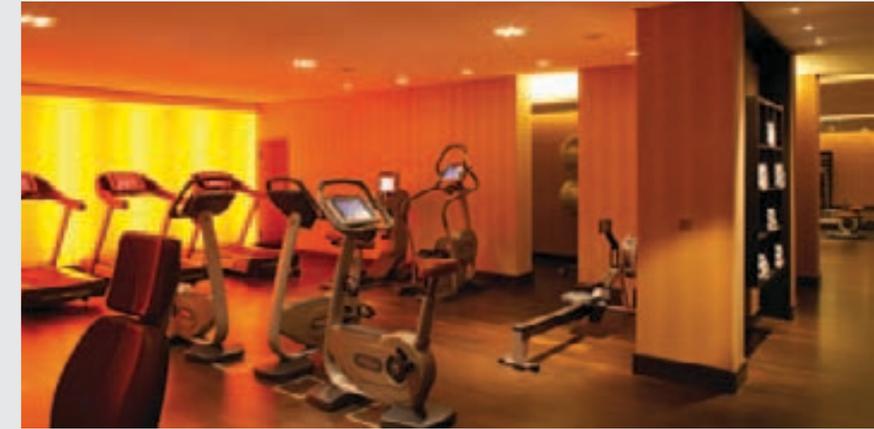

ESPA products are created with natural ingredients and treatments are designed to provide a genuinely holistic and restorative experience

Great activities to build an appetite and excellent fare to satisfy it in The Spa Café

Kerry is a golfer's paradise with a choice of world class courses, including Killeen, Mahonys Point and Lackabane courses which are all within pitching distance of The Europe Hotel & Resort

“Beauty is truth,
truth beauty,
that is all ye know on earth,
and all ye need to know”
John Keats
