

18 new Liebherr mobile cranes expand operational base of Rezayat Sparrow

- Rezayat Sparrow places major order for 18 Liebherr mobile cranes
- The order includes LTM mobile cranes from 70 tonnes to 500 tonnes capacity
- Rezayat Sparrow is recognised as one of the premier suppliers of Cranes & Heavy Transport in Saudi Arabia

Ehingen / Donau (Germany) 20 April 2018 – Liebherr has received a major order from Rezayat Sparrow: the company based in Saudi Arabia has ordered 18 new Liebherr mobile cranes to mark its 40th anniversary. The order includes LTM mobile cranes from 70 tonnes to 500 tonnes capacity. The first cranes from the order were already delivered in January.

Saudi Arabia based crane hire and heavy transport company Rezayat Sparrow recently took delivery of a new Liebherr LTM1500 8.1 and an LTM1250-5.1. Both cranes were immediately deployed to a major shutdown in Yanbu the company was scheduled to commence in March 2018.

Raymond Cron General Manager of Rezayat Sparrow said that the company was celebrating 40 years of operation in 2018 and that the order of 18 new Liebherr All Terrain Cranes will enable the company to expand its operational base to additional locations throughout the GCC (Gulf Cooperation Council).

Other cranes on order from Liebherr and due for delivery include one LTM 1300 6.2, one LTM1200-5.1, four LTM1160-5.2, two LTM1130 5.1, five LTM1100-5.2, one LTM 1100-4.2 and two LTM 1070-4.2.

Rezayat Sparrow is recognised as the premier supplier of Cranes & Heavy Transport in the region and continues to grow its reputation for safe, reliable and innovative services.
