- MINEXCHANGE will take place in Denver, Colorado from February 23-26, 2025.
- Liebherr USA, Co. exhibits at Booth #1439 with on-site product specialists.

Newport News, VA (USA), Liebherr USA, Co., January 21, 2025 – The 2025 MINEXCHANGE Society for Mining, Metallurgy, and Exploration annual conference and expo will take place in Denver, Colorado from February 23-26, 2025. Liebherr's General Sales Manager, Joel Lerner and Regional Sales Managers, Cory Wasson and Nathan Goerke will be onsite at booth #1439 to educate attendees about Liebherr's latest mining technology offerings and product range including the [R9600 excavator](#) and [PR776 dozer](#).

This event features some of the biggest names in the mining industry today. With more than 800 booths, attendees will be able to join mining experts to brainstorm, expand their networks, and inspire solutions. MINEXCHANGE also offers short workshops, technical sessions, and networking opportunities.

Undisputed Leader

The R9600 is Liebherr's latest generation heavy-duty excavator. It is the best performer in its 600-ton class. Offering the latest cutting-edge technology, [IoMine](#) – Liebherr Mining's advanced technology line that uses real-time data monitoring, visualization tools, and remote diagnostics, and sustainable and efficient performance. Additionally, with features like an increased payload capacity, lower fuel consumption, and long-lasting modular design, the R9600 offers customers a top performing machine.

Ripping and Reclaiming Mines

Liebherr's [PR 776](#) offers customers an advantage while ripping, pushing, and building roads. The world's largest hydrostatic dozer is engineered for innovation, features a reduced fuel burn rate, and gives operators increased performance due to operator assistance systems. This generation 8 dozer let's operators maximize productivity, is designed for efficient job requirements, and provides the ultimate reliability anytime and anywhere.

Take advantage of getting hands on with the PR 776 dozer at one of the Liebherr mining rodeo events held in Elko, Nevada. Attendees will have the opportunity to view all of the PR 776 features, speak with Liebherr mining experts, and operate a machine for 30 minutes at the Liebherr demonstration site in

Elko, NV. To learn more about the next rodeo event, stop by booth #1439 and speak with the on-site product specialists.
