

Press release

Northwest Crane Service receives Liebherr LTM 1300-6.4 mobile crane at Conexpo 2026

Liebherr delivers an LTM 1300-6.4 mobile crane to family owned and Oklahoma based crane company, Northwest Crane Service LLC.

Las Vegas, NV (USA), Liebherr USA, Co., March 5, 2026 – Industry leader in crane, rigging, and specialized transport, [Northwest Crane Service, LLC](#), takes delivery of a Liebherr LTM 1300-6.4 mobile crane at Conexpo 2026, North America’s largest construction tradeshow. With this acquisition, Northwest Crane Service continues to provide customized solutions through careful planning and coordination while providing a wide range of cranes to fulfill customers’ requirements throughout the country.

With a range of over 50 Liebherr mobile cranes, Northwest can offer versatile lifting capacities, customized setup, and top safety systems that can support a variety of applications. With a culture curated around safety, the Liebherr cranes also provide Northwest with customizable options including adjustable steering configurations and Liebherr’s Variobase® outrigger system allowing the crane to be used flexibly in difficult conditions aiding in overall efficiency throughout each project.

Reaching new heights

As the successor to the LTM 1300-6.3, the [Liebherr LTM 1300-6.4 mobile crane](#) not only features a new crane design, but it is also the third mobile crane equipped with the LICCON3 control system in the Liebherr portfolio. With its 295 ft (90 m) telescopic boom, the 6-axle machine is designed for high performance at extreme lifting heights and steep boom positions. The crane is ideal for a variety of applications including tower crane assembly and the installation of antennas, as well as wind turbine maintenance.

Liebherr mobile and crawler cranes are renowned worldwide for their outstanding quality, innovation, and reliability. Designed for a wide range of applications, Liebherr cranes set new standards in lifting capacity, flexibility, and safety.

About Liebherr USA, Co.

[Liebherr USA, Co.](#) based in Newport News, VA provides sales and service on behalf of ten different Liebherr product segments: earthmoving, material handling, mining, mobile and crawler cranes, tower cranes, concrete technology, deep foundation machines, maritime cranes; components, and refrigeration and freezing.

About the Liebherr Group

The [Liebherr Group](#) is a family-run technology company with a highly diversified product programme. The company is one of the largest construction equipment manufacturers in the world. It also provides high-quality, user-oriented products and services in a wide range of other areas. The Liebherr Group includes over 150 companies across all continents.
