

Press release

## ALL Erection & Crane Rental receives a Liebherr LTM 1400-6.1 mobile crane at Conexpo 2026

**Liebherr delivers an LTM 1400-6.1 mobile crane to ALL Erection & Crane Rental Corp. at Conexpo 2026. This handover is the first LTM 1400-6.1 to be delivered in the US.**

Las Vegas, NV (USA), Liebherr USA, Co., March 10, 2026 – Ohio-based [ALL Erection & Crane Rental Corp.](#) receives handover of an LTM 1400-6.1 mobile crane at the largest construction tradeshow in North America, Conexpo 2026. This handover will be the first LTM 1400-6.1 in their fleet, further bolstering their extensive range of Liebherr machines.

ALL Erection & Crane Rental Corp. is the flagship yard of the ALL Family of Companies, becoming one of the premiere crane rental companies in the Midwest. ALL Erection & Crane Rental is the cornerstone of the ALL Family of Companies, with ALL being home to one of the largest fleet of Liebherr all-terrain cranes in the United States. Specializing in wind energy, steel erection, marine and maritime construction and heavy industrial maintenance, their extensive fleet of all-terrain cranes allows for a diverse range of applications.

### Setting standards

The [LTM 1400-6.1 mobile crane](#) is the successor to the proven LTM 1350-6.1, taking its place as the smallest crane with Y-guying and giving this crane an enormous increase in lifting capacity. It is also defined by its clever and simple set-up processes that make it an extremely flexible and economical machine for All Erection's fleet.

[Liebherr all-terrain cranes](#) are designed to be ready for anything, with assistance systems like VarioBallast® enabling infinite ballast adjustment using a hydraulic slewing mechanism. In addition, the LTM 1400-6.1 mobile crane comes equipped with load charts with a maximum wind speed of up to 51.2 ft/s (15.6 m/s), ensuring safe lifting even in windy conditions.

### About Liebherr USA, Co.

[Liebherr USA, Co.](#) based in Newport News, VA provides sales and service on behalf of ten different Liebherr product segments: earthmoving, material handling, mining, mobile and crawler cranes, tower cranes, concrete technology, deep foundation machines, maritime cranes; components, and refrigeration and freezing.

## About the Liebherr Group

The [Liebherr Group](#) is a family-run technology company with a highly diversified product programme. The company is one of the largest construction equipment manufacturers in the world. It also provides high-quality, user-oriented products and services in a wide range of other areas. The Liebherr Group includes over 150 companies across all continents. In 2024, it employed more than 50,000 staff and achieved combined revenues of over 14 billion euros. Liebherr was founded by Hans Liebherr in 1949 in the southern German town of Kirchdorf an der Iller. Since then, the employees have been pursuing the goal of achieving continuous technological innovation, and bringing industry-leading solutions to its customers.
