Liebherr - Giving a Name to Innovation

In 2018, Liebherr Maritime Cranes is celebrating a year of innovations with exciting new products. Explore the latest members of our Liebherr ship and offshore crane family and experience its versatility at our Liebherr booth.

Discover a comprehensive range of products, technologies and services – made by Liebherr. We have the pleasure of inviting you to take a look at the maritime future:

- Ship Crane CBG 360 – The latest four rope grab crane
- Offshore Crane HLC – Liebherr's largest crane ever built
- Reachstacker LRS 545 – Discover the enlargement of our product range
- LiDAT Smart App – Big Data Analytics for your port
- Harbour Crane LPS 420 E – Liebherr's first purely electrical portal crane
- TCC78000 - Heavy lift handling in our maritime headquarter (Rostock - Germany)

Join us at the Liebherr booth A1.304.
